

The 2026 Boston Change Makers Gala

Friday, May 15th, 2026

Seaport Hotel, Boston, 7:00 PM

Join us for an unforgettable evening celebrating entrepreneurship, innovation, and impact across Africa at the annual Boston Change Makers Gala.

Enjoy a champagne reception, a gourmet three-course dinner, and an inspiring program hosted by actress and ambassador Jaimie Alexander. The night will include a lively auction led by Pat Tully and live music to keep the celebration going.

Your attendance will support rural African entrepreneurs, most of them women, who are building resilient, thriving communities. Funds raised will also fuel access to clean water, climate-smart farming, nutrition training, and support locally led development that lifts up local leaders and drives long-term change.

Our Story

For over 40 years, Self Help Africa has supported entrepreneurs and smallholder farmers to grow more, earn more, and build sustainable incomes.

We work across agriculture, clean water, nutrition, and climate, empowering sustainable development in communities.

When you donate to Self Help Africa, you're not just giving, you're backing women and young entrepreneurs who are ready to lead lasting change in their communities.
