

LIFETIME GIFTS

Beehives

Beehives are a fantastic gift. They produce valuable honey and wax and those busy bees also help to pollinate crops, improving yields. Beekeeping is not reliant on good soils or rainfall, which makes it a good diversification enterprise for small-scale farmers. Your gift will provide beehives, a bee suit and beekeeping training.

Self Help Africa is a non-profit 501(c) 3 organisation in the United States. EIN (Tax ID): 270580530
