

LIFETIME GIFTS

Goats

*You've helped a farmer start their own goat herd!
Goats provide nutritious milk for an entire family, and
the manure can be used as a natural fertiliser for the soil.
Your gift keeps on giving, because, from these breeding
goats, the first kids will be passed-on to families in the
local community, and others can be sold at market to
generate a sustainable income.*

Self Help Africa is a non-profit 501(c) 3 organisation in
