

CHANGE-MAKER'S BALL LONDON

Friday 8th February • 1 Great George Street

Join us at 1 Great George Street on Friday, February 8th 2019 for our **annual London Ball**, an evening to celebrate and support enterprise and opportunity in Africa.

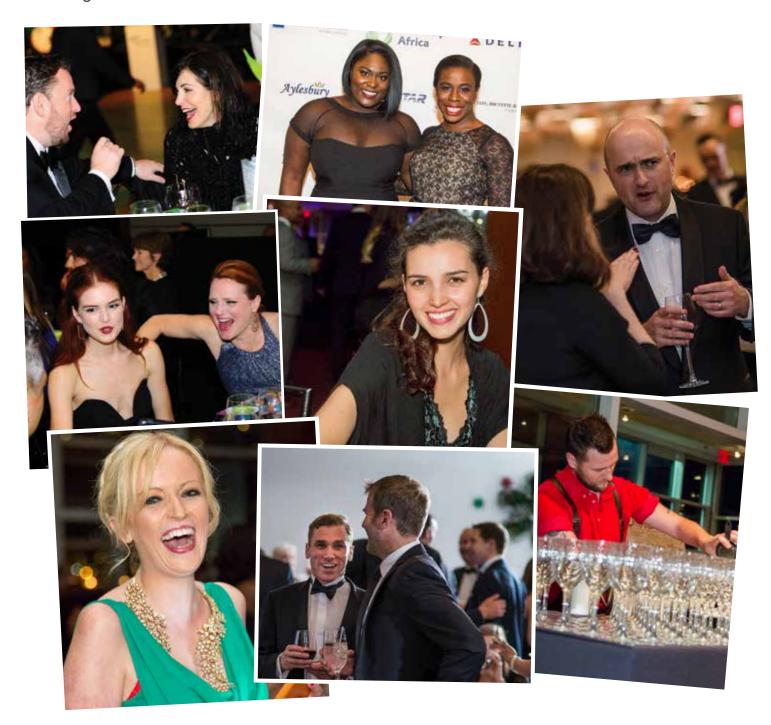

WHAT IS THE CHANGE-MAKER'S BALL?

The Change-Maker's Ball is an annual event, held globally to recognise and celebrate the continual upliftment of the communities that Self Help Africa work with.

For eight years, we have hosted Change-Maker's Ball in New York, Boston and Dublin. More than 5,500 people have attended, and enabled us to raise more than £4.8 million to support our work in sub-Saharan Africa. This year, we are hosting our first annual London Change-Maker's Ball.

Figures from the world of business, finance, entertainment, law, hospitality and a wide variety of other industries have supported The Change-Maker's Ball since its inception.

The London Change-Maker's Ball will be on Friday 8th February 2019 at 1 Great George St.

- Premium logo representation throughout the evening on our AV Screens.

For over 50 years, Self Help Africa has looked at Africa in a different way.

It's a continent of need, but also of opportunity. There are many mouths to feed, but almost as many entrepreneurs to nurture.

At the heart of our work is one fundamental principle; each of the individuals with whom we work is a small business owner, looking to earn an income.

We provide the tools, knowledge and opportunities to enable these people to develop their microbusinesses and farms.

The income earned feeds his or her family and it pays for healthcare, education and shelter.

We call it "a help-up, not a hand-out."

All funds raised at our Change-Maker's Ball will go to the people who need the support - women, men, families and communities - so that they can acquire the tools and knowledge necessary to lift themselves out of poverty.
